Butte Humane Society uses qualified staffing and approved materials for all procedures performed. It is important to understand that the risk of injury or death, although extremely low, is always present just as it is for humans who undergo surgery. **Carefully read and understand the following before signing your name:**

- In the event of an emergency, I authorize Mariana Turner, DVM, her agents and representatives, to perform any procedures deemed necessary to save the life of this cat. **CIRCLE:** yes / no
- I either certify that the cat has been vaccinated within one year prior to this date **or** understand that he/she is not protected from contagious disease. I understand that it takes up to two weeks for vaccinations to protect the cat.
- Butte Humane Society has the right to refuse service to any animal to whom surgery is deemed a health risk.
- I understand that there will be an additional fee of \$10-\$25 if there are changes to the cat's uterus from such causes as being in heat, pregnant, or obese, and if the cat is pregnant, the pregnancy will be terminated at the time of surgery.
- I understand that if I do not pick up the cat before 6pm this evening I will be charged an overnight boarding fee of \$25 and that we do not have staff on the premises 24 hours a day.
- I understand that if the cat has fleas, it will be given Capstar, a fast-acting, short term flea treatment, at a cost of \$6 to ensure a sterile surgery.
- I understand that all feral cats receive an ear-tip and a small green tattoo near the incision as a universal sign that they have been sterilized.

I, _____, hereby certify I am the owner or authorized agent for the owner, of the cat
