Sign up *FORE* our furry friends! The impact of your sponsorship ripples far beyond a fun day of golf and animal shelter awareness. Every dollar provides immediate help to animals in need in our community. 6.5 million cats and dogs entered shelters in the United States last year. Butte Humane Society is dedicated to giving these animals a second chance. This year, we're aiming to find loving homes for 900 animals, and we need your help.

From the point of every nose to the tip of every tail, thank you for your consideration,

Guy Jacob
